

# SHOOTHOUSE INSTRUCTOR COURSE

**Description:** The two day, 16 hr shoothouse instructor course is designed to provide firearms instructors methods in developing and executing safe live-fire and realistic training for their officers. The course will also provide the instructor all the necessary information regarding the rental of the training center and its resources for their department's training program. The officers are taught in the following topics:

- Range and shoothouse safety rules
- Transitioning officers from the range to a live-fire shoothouse
- Target systems and target placement
- Instructor responsibilities
- Instructor/student ratios
- Participant conducted live-fire scenarios

Ammunition will be provided with the course cost. The training center stocks 9mm and .40 S&W. If your weapon system requires a different caliber, please notify the training staff prior to the course. Lunch will be provided on both days of training. Cost of two day course - \$375.

## Equipment Needed:

- Body armor (tactical armor)
- Baseball style cap
- Wraparound eye protection
- Ear Protection
- Weapon light(s)
- Pistol
- Sub-gun (optional)
- Duty Holster
- Flashlight (red lense optional)
